

## Robbi Sconce.

Introducing the Robbie Wall Sconce, a striking lighting fixture created in collaboration with Folk Studios, tailored for contemporary or mid-century modern interiors. With its bold circular base securely attached to any wall, adorned in a sleek oak finish and complemented by an elegantly curved metal frame, this sconce brings a touch of sophistication to any room. The linen shade, adorned with intricate gold accents, diffuses a warm radiance, creating a captivating focal point for your home.

### FEATURES & FINISHES

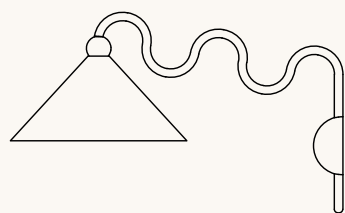

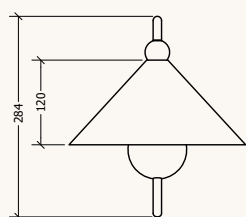

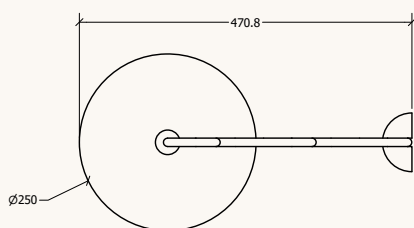

Made from solid American Oak with brass detailing, finished with a white linen shade.

### ASSEMBLY

Assembly required. If hardwiring by a certified electrician.

### WARRANTY

12 Months
